

Future strategy for the  
development of transport security  
RUSI: CNI 2009

29 April 2009

Niki Tompkinson, Director  
TRANSEC

# TRANSEC's role

# Our goals

Government, industry and users working together  
to:

**Reduce the risk** to UK transport systems from terrorist attack

**Enhance the resilience** of UK transport systems to disruption from terrorism or hazardous events.

**Minimise the impact** of security measures on transport users.

**Retain confidence** in the security and resilience of UK transport systems.
