

*berwin leighton paisner

Berwin Leighton Paisner LLP (BLP) is a leading law firm with an international finance, corporate and commercial practice. The firm's clients are diverse and include major corporate organisations and financial institutions through to government, prominent public sector bodies and individuals. BLP advise clients on the full range of legal and policy issues affecting them and has a strong focus on the security and defence industries.

The firm's commitment to these industries coupled with prolonged exposure to senior governmental officials in relation to major procurements has given them a wealth of experience and understanding of the challenges of working within security and defence. BLP is considered to be at the forefront of the development of the thinking which has driven the evolution of defence procurement.

Through its in-depth knowledge and experience, BLP is uniquely placed to facilitate the bringing together of governmental and private sector organisations to best meet the challenges facing the modern world.
